

REMARKS

This *Amendment* is in response to the Office Action dated August 2, 2005. In that Office Action, Claims 80-91 and 206-210 were allowed, whereas Claims 92-94 were rejected under §103(a) as unpatentable over *Chen et al.* (US 6,436,234) in view of *Hollenberg et al.* (US 6,273,996).

In order to expedite prosecution of this case, Applicant cancels Claims 92-94 without prejudice and will further consider the Examiner's remarks concerning *Chen et al.* and *Hollenberg et al.*

Since all rejected claims have been cancelled, this case is believed in condition for allowance.

This response is believed timely filed. If any additional extensions are required, please consider this paper a *Petition* therefor and charge our Deposit Account No. 50-0935. Likewise, please charge our Deposit Account if fees for additional claims are required. If any further matters require attention before issuance, the Examiner is invited to call at the telephone number listed below.

Respectfully submitted,
